

**July 11<sup>th</sup>, 2022**

***Culver City Police Department***  
**PRESS RELEASE**  
**Manuel Cid, Chief of Police**

**Fatal Traffic Collision**

**Report Number: 22-2917**

On July 4, 2022, at approximately 1:59 PM, the Culver City Police Department responded to a call for service of a traffic collision involving a vehicle versus pedestrian at the intersection of Green Valley Circle and Doverwood Drive.

Culver City Police Officers, along with personnel from the Culver City Fire Department arrived on scene and found a 73-year-old female lying unconscious in the roadway. The female had serious, life-threatening injuries. Live saving efforts were immediately performed, and the female was immediately transported to a local hospital by the Fire Department.

The initial investigation revealed that the driver of a Toyota Tundra was traveling westbound on Green Valley Circle and made a southbound turn onto Doverwood Drive. After the driver made the turn onto Doverwood Drive, his vehicle struck the female pedestrian who was walking across the intersection. After striking the pedestrian, the driver remained at the scene of the traffic accident.

The traffic collision is being investigated by Traffic Accident Investigators from the Culver City Police Department. The preliminary stages of the investigation suggest that the use of alcohol or drugs does not appear to be a contributing factor to the cause of the traffic collision.

Unfortunately, the 73-year-old female succumbed to her injuries and passed away on July 7, 2022. Notification has been made to the female victim's next of kin.

Anyone with information related to this incident is asked to contact Culver City Police Department Public Information Officer Sergeant Brent Arney at 310-253-6313 or the Watch Commander at 310-253-6202.
