## SPECIAL OPERATIONS BUREAU

*\*Beginning March 1, 2021, the Culver City Police Department implemented the National Based Incident Reporting System (NIBRS) to improve the overall quality of the crime data collected. NIBRS provides the circumstances and context for crimes in more detail than the traditional Summary Report System (SRS). As of January 1, 2021, the Federal Bureau of Investigation (FBI) made the nationwide implementation of NIBRS a top priority to provide more useful statistics to promote constructive discussion, measures and informed policing. NIBRS establishes a new baseline that more precisely captures reported crime in a community.*
