On Sunday, April 14, 2024, at approximately 5:11 pm, Culver City Police responded to a call for service of an armed robbery at the 6000 block of Sepulveda Boulevard.

The victim reported that while walking through the first level of the parking structure toward the entrance of a retail store a suspect (S-1) approached and asked the victim, "Hey, where you from? Do you bang? I'm going to need those chains" and then grabbed gold chain jewelry from the victim's neck. When the victim attempted to retrieve the jewelry, another suspect (S-2) approached from behind and took the victim's wallet from his pants pockets. Another suspect (S-3) then wrapped his arm around the victim's neck while placing a black handgun with an extended magazine into the victim's torso. The suspects then ran eastbound in the parking structure and out of view. Officers immediately searched the area for the suspects. Investigators are working to identify the suspects described below.
