
Officer-Involved Shootings and Deaths

306.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

306.2 POLICY

The policy of the Culver City Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

306.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

306.4 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

306.4.1 CULVER CITY POLICE DEPARTMENT OFFICER WITHIN THIS JURISDICTION

With the assistance of Culver City Police Department personnel, the Los Angeles County Sheriff's Department and members from the Los Angeles District Attorney's Office are generally responsible for the criminal investigation of the suspect's and officer's actions surrounding an officer-involved shooting. The Culver City Police Department will conduct the civil investigation and the administrative investigation.

306.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is

Culver City Police Department

Culver City PD Policy Manual

Officer-Involved Shootings and Deaths

involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

306.4.3 CULVER CITY POLICE DEPARTMENT OFFICER IN ANOTHER JURISDICTION

With the assistance of Culver City Police Department personnel, the Los Angeles County Sheriff's Department and members from the Los Angeles District Attorney's Office are generally responsible for the criminal investigation of the suspect's and officer's actions surrounding an officer-involved shooting. The Culver City Police Department will conduct the civil investigation and the administrative investigation.

306.4.4 INVESTIGATION RESPONSIBILITY MATRIX

The following table identifies the possible scenarios and responsibilities for the investigation of officer-involved shootings:

	Criminal Investigation of Suspect(s)	Criminal Investigation of Officer(s)	Civil Investigation	Administrative Investigation
CCPD Officer in This Jurisdiction	LASD/LA Dist. Attorney Investigators	LASD/LA Dist. Attorney Investigators	CCPD Civil Liability Team	CCPD Professional Standards Unit
Allied Agency's Officer in This Jurisdiction	Discretion of Involved Officer's Department	Involved Officer's Department	Involved Officer's Department	Involved Officer's Department
CCPD Officer in Another Jurisdiction	LASD/LA Dist. Attorney Investigators	LASD/LA Dist. Attorney Investigators	CCPD Civil Liability Team	CCPD Professional Standards Unit

Note: In the event that an officer of this Department is involved in a shooting outside of Los Angeles County, any criminal investigation will be conducted by the agency having jurisdiction. Any civil or administrative investigation will be handled by this Department's Civil Liability Team and Professional Standards Unit respectively.

306.5 INVESTIGATION PROCESS

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

306.5.1 UNINVOLVED OFFICER RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting, the first uninvolved CCPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

Each involved officer shall be given reasonable paid administrative leave following an officer-involved shooting. It shall be the responsibility of the Watch Commander to make schedule adjustments to accommodate such leave.

306.5.5 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved CCPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
 1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any CCPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.

306.5.7 NOTIFICATION TO DEPARTMENT OF JUSTICE

The California Department of Justice (DOJ) is required to investigate an officer-involved shooting resulting in the death of an unarmed civilian. The Watch Commander should promptly notify the DOJ in all incidents involving an officer-involved shooting resulting in the death of an unarmed civilian, including where it is undetermined if the civilian was unarmed.

For purposes of notification, “unarmed civilian” means anyone who is not in possession of a deadly weapon (Government Code § 12525.3).

[See attachment: 2021-DOJ_OIS Protocol.pdf](#)

The Watch Commander shall be responsible for ensuring that the DOJ is notified.

306.6 CRIMINAL INVESTIGATION

The District Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies or the District Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews.

The following shall be considered for the involved officer:

- (a) CCPD supervisors and Professional Standards Unit personnel should not participate directly in any voluntary interview of CCPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of the officer's choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally, or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

306.6.1 REPORTS BY INVOLVED CCPD OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved CCPD officers to provide sufficient

Culver City Police Department

Culver City PD Policy Manual

information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved CCPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved CCPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

306.6.2 CRIMINAL INVESTIGATION

It shall be the policy of this department to utilize the Los Angeles County Sheriff's Department and the Los Angeles County District Attorney's Office to conduct an independent criminal investigation into the circumstances of any officer-involved shooting involving injury or death.

If available, detective personnel from this department may be assigned to partner with investigators from the Los Angeles County Sheriff's Department and the Los Angeles County District Attorney's Office so as to not duplicate efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators will be given the next opportunity to interview involved officers in order to provide them with an opportunity to give a voluntary statement. The following shall be considered for the involved officer:

- (a) Supervisors and Professional Standards Unit personnel should not participate directly in any voluntary interview of officers. This will not prohibit such personnel from monitoring such interviews or indirectly providing areas for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney, prior to speaking with criminal investigators. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (c) Any voluntary statement provided by the officer(s) will be made available for inclusion in the administrative or other related investigations.
- (d) Absent consent from the involved officer or as required by law, no administratively coerced statement(s) will be provided to any criminal investigators.

306.6.3 REPORTS BY INVOLVED OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved officer may write the report, it is generally recommended that such reports be completed by assigned investigators who should interview involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by involved suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures, but should also be included for reference in the investigation of the officer-involved shooting.

306.6.4 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.
 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.

Officer-Involved Shootings and Deaths

- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

306.7 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of CCPD officers to determine conformance with department policy. The investigation will be conducted under the supervision of the Professional Standards Unit and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (see the Personnel Complaints Policy).

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
 2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed (Government Code § 3303(i)).
 3. Administrative interviews should be recorded by the investigator. The officer may also record the interview (Government Code § 3303(g)).
 4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her *Lybarger* or *Garrity* rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.

Culver City Police Department

Culver City PD Policy Manual

Officer-Involved Shootings and Deaths

5. The Professional Standards Unit shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

306.7.1 CIVIL LIABILITY RESPONSE

A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation, but shall be given reasonable access to all other investigations.

306.8 DEBRIEFING

Following an officer-involved shooting or death, the Culver City Police Department should conduct both a Critical Incident Stress Debriefing and a tactical debriefing. See the Wellness Program Policy for guidance on Critical Incident Stress Debriefings.

306.8.1 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

306.9 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the supervisor and department representative responsible for each phase of the investigation. Releases will be available to the Watch Commander, Investigations Bureau Bureau Commander and Public Information Officer in the event of inquiries from the media.

The Department shall not subject any involved CCPD officer to visits by the media (Government Code § 3303(e)). No involved CCPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Bureau Commander. Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

306.10 REPORTING

If the death of an individual occurs in the Culver City Police Department jurisdiction and qualifies to be reported to the state as a justifiable homicide or an in-custody death, the Operations Bureau Commander will ensure that the Records Supervisor is provided with enough information to meet the reporting requirements (Penal Code § 196; Penal Code § 13022; Government Code § 12525).

TO: ALL DISTRICT ATTORNEYS, CHIEFS OF POLICE, SHERIFFS, AND STATE LAW ENFORCEMENT AGENCIES

Effective July 1, 2021, pursuant to AB 1506, the Department of Justice (DOJ) is required to investigate “incidents of an officer-involved shooting resulting in the death of an unarmed civilian.” (Gov. Code, § 12525.3, subd. (b)(1).) The following is DOJ’s understanding of the terms used in this statute, and is to be used as guidance for all law enforcement partners in determining whether a case falls within the ambit of AB 1506. These definitions are meant to apply *only* in the context of AB 1506, and these terms may have different meanings in other contexts or in different statutes.

Notwithstanding these definitions, DOJ may elect to assume jurisdiction in cases where jurisdiction is unclear, or based on other extenuating circumstances, as determined by the Attorney General. (See Cal. Const., art V, § 13 [Attorney General is “chief law officer of the State” and has a duty “to see that the laws of the State are uniformly and adequately enforced”].)

1. “Officer-involved”

A shooting is “officer-involved” if the death to the unarmed civilian is caused by a California peace officer, within the meaning of Penal Code section 830, acting under color of authority. All shootings committed by officers while on duty are officer-involved shootings. Shootings committed by officers while off-duty are considered officer-involved shootings only if the officer is acting under color of authority.

Officers are acting under “color of authority” when they are performing an act that is made possible only because they are clothed with the authority of law, or when they are acting under pretense of law. Conversely, officers are not acting under “color of authority” when they commit private acts in furtherance of personal pursuits. Shootings by correctional officers as defined in Penal Code section 830.55 are excluded.

2. “Shooting”

A “shooting” is the discharge of a metal projectile by a firearm. A “firearm” is a “device, designed to be used as a weapon, from which is expelled through a barrel, a projectile by the force of an explosion or other form of combustion.” (Pen. Code, § 16520.) A “shooting” does not include incidents involving

the use of electronic control devices, stun guns, BB, pellet, air, gas-powered guns, or weapons that discharge rubber bullets or beanbags.

3. “Unarmed civilian”

An “unarmed civilian” is “anyone who is not in possession of a deadly weapon.” (Gov. Code, § 12525.3, subd. (a)(2).)

4. “Possession”

A civilian is in “possession” if the weapon is under the civilian’s dominion and control at the time of the shooting. Possession usually requires that the weapon is available for use. Where a civilian attempts to take control of an officer’s firearm, the civilian is not in possession unless the officer loses control of the firearm.

5. “Deadly weapon”

“‘Deadly weapon’ includes, but is not limited to, any loaded weapon from which a shot, readily capable of producing death or other serious physical injury, may be discharged, or a switchblade knife, pilum, ballistic knife, metal knuckle knife, dagger, billy, blackjack, plastic knuckles, or metal knuckles.” (Gov. Code, § 12525.3, subd. (a)(1).) All firearms, and BB/pellet guns, even if unloaded or inoperable, are deadly weapons.

Objects that have a legitimate non-weapon purposes are considered deadly weapons only when, based on all the circumstances, they are actually being used in a manner likely to produce death or great bodily injury. The following are examples of objects that have been considered a deadly weapon when used in that manner: knives, box cutters, screwdrivers, bottles, chains, automobiles, rocks, razor blades, and iron bars.

Replica firearms are not considered deadly weapons unless they are used in some particular manner likely to produce death or great bodily injury (e.g., as a bludgeon).

6. “Death”

Death occurs when “[a]n individual ... has sustained either (1) irreversible cessation of circulatory and respiratory functions, or (2) irreversible cessation of all functions of the entire brain, including the brain stem[.]” (Health & Saf. Code, § 7180.) DOJ may assume responsibility for cases where death appears to be imminent.

Law Enforcement Agency’s (LEA) Notification Responsibility

Effective July 1, 2021, immediately notify the DOJ when the LEA has an incident of an officer-involved shooting resulting in the death of an unarmed civilian. When situations arise and it is undetermined if the civilian was unarmed, a notification to DOJ is still requested. The Los Angeles Regional Criminal Information Clearinghouse (LA CLEAR) will be the central point of contact for all officer-involved shooting incident notifications: **(800) 522-5327**.
